

NUTRITION & HEALTH 2024 SUMMER SCHOOL

June 29th to July 13th – Lille, France

'Human Nutrition Across the Lifespan: From Scientific Evidence to Recommendation and Action'

The Nutrition & Health 2024 summer school is a high-standard 60-hour training programme that delves into the fundamental and applied aspects of the links between food and health.

Coorganised by the [Training and Research Unit of Health and Sport Sciences](#) of the [University of Lille](#) (largest French university) and the [International Academy](#) (summer university for international students in Hauts-de-France), Nutrition & Health 2024 will take place in [Lille](#) from [June 29th to July 13th](#).

Make the smart choice!

Midway between Paris, London and Brussels, at the heart of a high-performance academic and economic hub that makes innovation a priority, the programme will offer high-level scientific lectures delivered in English by renowned researchers in the field, and a lead into research through a supervised project assessed by an oral defence.

Challenge your scientific potential!

As a research-oriented programme, the summer school is dedicated to excellent bachelor (3rd year undergraduate) & Master students willing to network into their PhD or postdoc in France. Professionals are welcome to apply. The participants should have an advanced level of English proficiency as well as excellent academic results and in-depth knowledge in human health, biology or food science.
